Online Backup for Business

*All new partners receive a free **20GB** package valued at **€960** per year*

Join keepITsafe's partner programme and get in on the future of data protection

Why?

The keepITsafe partner programme is an excellent opportunity for resellers to differentiate themselves from competitors by offering a cost effective, simple and totally automated backup solution to their customers.

Becoming a keepITsafe Online Backup Partner can add significant value to your business and positively impact your bottom line.

The program will allow keepITsafe's partners to

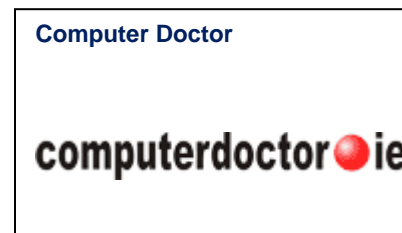

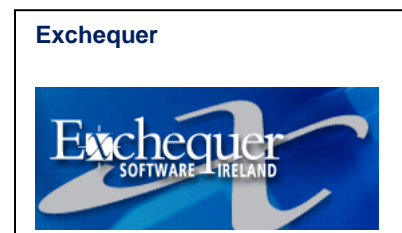

- Deliver remote data backup and recovery services to their customers
- Provide Continuous Data Protection and proven off-site data recovery capabilities without costly investments
- Increase margins and give you an opportunity to up sell to existing customers.
- Provides you with an online backup and recovery solution with far more value than comparable offerings.
- Sales and technical training, marketing assistance and pricing models.

Benefits to our partners

- Reliability of software that has backed up more than **4 billion files** and restored more than **30 million** lost files over the last 5 years.
- Software that installs simply and supports Microsoft Exchange, SQL, Lotus Notes, Oracle, MySQL and Navision.
- Data backed up to multiple Irish datacentres, one of which is Digiweb – a world class centre in Blanchardstown

- Advanced features such as
 - Single Mailbox and Full Exchange Restore Capability
 - Mid day transactional log / differential backups of Exchange, SQL, Lotus Note & Oracle
 - Unique in-file delta engine ensuring only the new blocks of data are backed up
 - Point and click single file restore
 - Next Business Day Delivery of Data
 - Customisable retention periods, 3 months as standard
 - Daily monitoring of backups
 - €1,000,000 indemnity per client
- All of your customers data is being managed and monitored 24/7
- Dedicated and extremely knowledgeable staff to help you with the sales and technical process
- As keepITsafe is the sole supplier of online backup and not owned by any third party IT company, we do not have any additional products or services that can be offered direct to your customers
- Rest assured that our aim is to provide you with the most cost effective online backup solution that will help you increase sales and bring you closer to your customer
