11 professionals from the ICT Industry who joined forces to support affordable housing in Ghana

keepITsafe sponsor trip to Ghana

keepITsafe, Ireland's largest online backup provider along with their Northern Ireland partner Outsource Solutions, joined forces to raise sponsorship for the Habitat for Humanity appeal.

The team were successful in raising £62,000 with the help of leaders from the ICT Industry through sponsorship and corporate events. Such funding is helping to build hope and homes for families in need.

Since its formation in 1987, HFH Ghana (HFHG) has successfully re-housed thousands of families in safe, affordable homes and has become a specialist in its field. HFHG currently operates in 8 of the country's 10 regions, through 65 affiliates representing 135 communities. The year 2007 marked the 20th anniversary for HFHG which was celebrated to coincide with the 5, 000th house dedication in the affiliate of Nkwantakese.
